# Welcome Class of 2028

We look forward to meeting you and helping you navigate through your first year of high school! We want you to know that we are here to help and guide you through all of the ins and outs of your new school and look forward to the start of the new school year.

Orientation will be held on August 21st and August 22nd. You will be assigned a date and time slot based on your homeroom once schedules are completed. At orientation, you will be issued your chromebooks, get your Monty Tech email, and learn more about the wonderful opportunities that we have to offer you starting your freshman year.

Your first week of school will be an academic week - 'A week'. Schedules will be given to you at orientation. You might have questions and we will be sure to answer them when we meet. Here are a few common ones that we hope help prepare you for your first days of school:

## **What school supplies do I need for the first day of school?**

We recommend that you have a backpack, your fully charged chromebook, a notebook and writing utensils for the first day. Each teacher will let you know what materials are required for their class so wait until you meet with them before you go and buy school supplies.

## **What do I wear?**

To start, jeans, t-shirt and sneakers are perfect for both academic and shop weeks. We also recommend that you have a sweater or sweatshirt because some classrooms and shops can get cold, at times.

## **How do I get a MT Identification card (ID)?**

At orientation we will take your ID picture. You will be issued your ID and lanyard on the first day of school. School ID's are expected to be worn everyday!

## **What about lunch?**

You can either bring your own or pick up a lunch option in the cafeteria. Menus are generally posted monthly on our web page. Information on how to set up an online account through MySchoolBucks will be sent to your parent/guardian in the welcome packet mailed out in August.

## **Where do I find my bus schedule?**

Bus schedules should be posted by mid August so check out our home page at [www.montytech.net](http://www.montytech.net) to see what bus you should be on.

## **What do I do if my student has a disability or requires additional support?**

The district has reached out to middle schools for current records. If you are not sure we have received the plan or if you would like to discuss the referral process please contact your student's school counselor.

Please email if you have any questions or concerns as we are only in the building a few days during the summer. We want to make this transition as smooth as possible! Save the dates for Freshmen Orientation on August 21st or 22nd! We are excited to meet you!

Mr. Lashua

Mrs. Quinn

[lashua.jonathan@montytech.net](mailto:lashua.jonathan@montytech.net)

[quinn-alicia@montytech.net](mailto:quinn-alicia@montytech.net)

# NEED HELP - WE'VE GOT YOU!

**All students staying for tutoring must take the 4:15 late bus.**

**The 6:00 bus is for athletes, clubs that meet until 6:00 and Drivers Ed only.**

**Click on the late bus icon at [www.montytech.net](http://www.montytech.net) to learn how you can get home if you stay after school!**

---

## **Extra Help**

Each academic instructor provides extra help one day a week after school.

## **After School Tutoring**

We offer extra help in math, English and biology. This is available to help you prepare for the MCAS as well as get extra support with your classes. Visit [www.montytech.net](http://www.montytech.net) and click on "Academics" to see the schedule of extra help and tutoring days.

## **Tech Support and PowerSchool**

Watch for an email explaining how parents and students can access grades using PowerSchool! Visit "Technology Help" to get support with your Chromebook, Google Classroom, Schoology & more!

Videos are available to help with using Google Classroom and Schoology.

# Monty Tech PowerSchool Parent/Guardian Portal

**PowerSchool** is the online system Monty Tech uses to share student's grades. Both parents and students can download the mobile app or check grades on your computer.

In the first few weeks of school, emails will be sent to each student's

**Primary Parent/Guardian Contact Email**

providing you with information to assist you in creating a parent portal account.

If you have checked your inbox, spam and junk folders and have not received the email by the end of September, please contact [edtech@montytech.net](mailto:edtech@montytech.net).

# MONTY TECH'S FRESHMEN SUMMER ACADEMY

## What's It All About?

The Rising Freshmen Academy is a student-centered program designed to provide academic, technology, physical and social enrichment opportunities to students entering grade 9 in the fall.

Students in the Academy will participate in collaborative, fun learning activities as they are introduced to our school community. This opportunity gives incoming freshmen a chance to meet teachers, make friends and become acclimated to the building prior to the first day of school!

This **FREE** Program  
will be held from:

**June 24-27, 2024**  
**8:30am - 2pm**

**Drop off & Pick up**  
**at the gym**

**ALL INCOMING  
FRESHMEN ARE  
STRONGLY  
ENCOURAGED TO  
ATTEND.**

**Free Registration!**  
**Free Lunch!**  
**Free Bussing!**

**Click HERE to**  
**register for**  
**this incredible**  
**opportunity!**

**For More  
Information:**

Contact the Program Director:

Kirsten Farias

978-345-9200 Ext: 3169

# Summer Assignments

SUMMER 2024

All incoming freshman are **REQUIRED** to read a book, complete a writing response, and complete a math packet.

Students will be **REQUIRED** to submit their work to their English and math teachers during the first week of school.

To access these assignments, please visit our website:  
[www.montytech.net](http://www.montytech.net)

For questions, please contact  
[summerassignments@montytech.net](mailto:summerassignments@montytech.net)

# MONTY TECH

## Summer Reading 2024

### Directions

- You **MUST** read **at least one book** from above. You will receive a raffle ticket from your English teacher the first week of your academics which you can turn in at lunch for a gift during Homecoming Week.
- For each book you read you must write a two paragraph response in which you discuss in detail something you found compelling, shocking or interesting. You may also choose to address questions you still have, something you are wondering about or something you now want to learn more about as a result of your reading.
- If you get BINGO one way = 5 raffle tickets for a chance to win 2 free Homecoming Tickets.
- If you get BINGO two ways = 10 raffle tickets for a chance to win a free yearbook.
- If you get BINGO three ways = 15 raffle tickets to win a \$50 gift card to the school store.
- If you get BINGO four ways = 20 raffle tickets to win 2 free prom tickets.
- If you complete the card = 25 raffle tickets to win \$100 Amazon gift card.

**You MUST print your BINGO card signed by both you and a parent/guardian attesting to the fact that you read the book(s) you checked off.**

# MONTY TECH

**Student Signature:**

**Parent/Guardian Signature:**

**INTEGERS:****Evaluate each expression.**

1)  $3 - 5 + (-7)$

2)  $-2 - -3 - 8 - -7$

**Evaluate each expression.**

3)  $(4)(1^3)$

4)  $(4 + 4)(1 + 5)$

**Evaluate each using the values given.**

5)  $j - k \div 6$ ; use  $j = 2$ , and  $k = 6$

6)  $n + m^2$ ; use  $m = 3$ , and  $n = 5$

**FRACTIONS:****Simplify each. Write your answer as a mixed number when possible.**

7)  $\frac{54}{36}$

8)  $\frac{42}{12}$

**Evaluate each expression.**

9)  $\left(-\frac{5}{4}\right) + \frac{11}{6}$

10)  $2 - \left(-\frac{3}{2}\right)$

**Simplify.**

11)  $\left(-\frac{2}{5}\right)\left(-\frac{17}{9}\right)$

12)  $\frac{7}{4} \div \frac{-12}{7}$

## DECIMALS:

Write each as a decimal. Round to the thousandths place.

13)  $\frac{1}{120}$

14)  $3\frac{24}{65}$

Evaluate each expression.

15)  $(-6.7) - 5.2$

16)  $2.5 + -3.9 - -2.7$

Write the name of each decimal place indicated.

17)  $1\overline{7}5.6$

18)  $40.0\overline{5}888$

Round each to the place indicated.

19) 4.726796; ten-thousandths

20) 9.8989; hundredths

Simplify.

21)  $(-6.1)(-1.53)$

22)  $\frac{-3.6}{-7.5}$

## EQUATIONS:

Solve each equation.

23)  $-10 = a - 20$

24)  $-17 = \frac{r}{4}$

25)  $96 = -6x$

26)  $5 = 2 + \frac{x}{-2}$

## INEQUALITIES:

Draw a graph for each inequality.

27)  $a \leq -3$

28)  $-6 \leq p$

Write an inequality for each graph.

Solve each inequality.

31)  $-10x > -30$

32)  $1 \geq \frac{x+9}{21}$

## SLOPE:

Find the slope of each line.

33)

34)

Find the slope of the line through each pair of points.

35)  $(-19, -14), (-18, -11)$

36)  $(6, 1), (-13, 1)$

# MONTY TECH MARINE CORPS JROTC

## PURPOSE

The purpose of the Monty Tech Marine Corps Junior Reserve Officer Training Corps (MCJROTC) program is to:

- Instill the values of leadership
- Citizenship
- Service to Country
- Personal responsibility and a sense of accomplishment

## THREE MAJOR OBJECTIVES

- Give students an appreciation for the origin, advantages, and responsibilities of leadership.
- Develop an understanding of leadership skills and the advantages of strong moral character.
- Develop in students a sense of pride, discipline, and personal responsibility.

We ARE NOT seeking to recruit for the military and MCJROTC does not obligate students to serve in the armed forces.

We strive to meet Monty Tech's mission.

Stop into Student Support Services or the MCJROTC Classroom to ask about the chance to be part of one of Monty Tech's most exciting and demanding elective programs.

## ACTIVITIES

Cyber Security Team  
Marksmanship  
Drill Team  
Color Guard

## VOLUNTEER

Community Service  
Salvation Army Boot Drives  
Food Shelters  
Veteran Causes

## INSTRUCTORS

Senior Marine Instructor  
First Sergeant  
Shane Dillon  
USMC (Ret)  
Shane-  
dillon@montytech.net

Marine Instructor  
First Sergeant  
Jeremy Mickelson  
USMC (Ret)  
mickelson.jeremy@

## **UNIFORMS**

Cadets will wear the Marine Corps JROTC uniform one day per week. Uniforms are provided at no cost to the student for participation in the program.

## **PHYSICAL FITNESS**

Physical fitness training is conducted one day per week along with completion of a strength assessment two times during the school year. This assessment gives the student an idea on how they progress throughout the school year

## **CLASSES**

Classes will evolve around Leadership Education. The program is progressive with cadets moving from one school year to the next. Freshman Cadets will begin as a Leadership Education One (LE I) and make their way through LE II (Sophomore), LE III (Junior), and LE IV during Senior year. Each year builds on the previous year with additional knowledge and responsibility.

## **RANK**

Promotions occur through demonstrated potential along with consistent adherence to all MCJROTC rules and regulations. Some cadets will have the potential to progress through rank at an accelerated pace through routine demonstration of above average performance.

## **OPPORTUNITY**

Through the MCJROTC Leadership Program, Cadets are more confident and better prepared for their futures, no matter what direction they pursue in the trades, college, or military service. Consistent accountability, time management, punctuality, and respect are a few of the areas where students can expect to improve through the MCJROTC.

**Student Responsibilities** - Your Chromebook is an important learning tool and is for educational purposes. In order to take your Chromebook home each day, you and your parents/guardians must be willing to accept the following responsibilities:

- I/we understand that the Chromebook is my responsibility.
- I/we understand that Chromebook use is a privilege, not a right.
- I/we will not leave my Chromebook unsupervised and will do everything I can to prevent it from being damaged.
- I/we will honor the Montachusett Regional Vocational Technical School Chromebook Guidelines and the Acceptable Use Policy.
- I/we will not view, create, send, or download inappropriate material.
- I/we will bring the Chromebook to school every day with a fully charged battery.
- I/we will treat the Chromebook as a valuable piece of equipment and will report any mechanical or technical issues to a teacher immediately.
- I/we will not attempt to add, delete, access, or modify other user accounts on the Chromebook.
- I/we will take no action that could interfere with the Montachusett Regional Vocational Technical School network.
- I/we will report inappropriate use to my instructor or an administrator.
- I/we will return the Chromebook when requested by the Technology Department or upon withdrawing from the school.
- I/we will file a police report in case of theft or damage caused by fire and notify the Dean's Office immediately.
- I/we agree to pay the full replacement cost of my Chromebook and/or power cord/charger in the event either of these items are lost or damaged through my own negligence.

**I/we agree to the terms above and accept responsibility for the Montachusett Regional Vocational Technical School-owned Chromebook. I understand that I am accepting responsibility and am responsible for the total cost of any damage, destruction, or loss of the assigned Chromebook due to my negligence. I understand that I am responsible for the total cost of replacing a damaged, destroyed, or lost Chromebook.**
