MONTACHUSETT REGIONAL VOCATIONAL TECHNICAL SCHOOL

FRESHMEN ACCEPTANCE PACKET

CLASS OF 2029

TABLE OF CONTENTS

Monty Tech Frequently Asked Questions

Please post this somewhere you can access the information easily.

Monty Tech's School Day Hours - 7:40-2:40; 11:00 half day dismissal

Attendance

Please call (978) 345-9200 x 5248 before 8:30 a.m. on the morning of an absence. Include your child's first and last name and reason for the absence. A professional note to the Dean's Office is required for absences to be excused.

Checking Grades and Attendance

PowerSchool is the system used to record your child's grades and attendance. All parents will receive an email with instructions to set up their account. You can also download an app to your phone. Contact edtech@montytech.net with questions.

Class Dues

Class dues are collected to address the numerous expenses that arise during the Senior year. Class Dues in the amount of $100 are collected from all students over their four years at Monty Tech. Class advisors will share more information.

Communication

School Messenger phone calls and emails are sent on a regular basis to keep families up to date on Monty Tech information and upcoming events. Contact Donna Schaff at schaff-donna@montytech.net if you are not receiving both the phone message as well as the corresponding email.

Please follow Monty Tech on Facebook and Instagram to see what is going on at school.

Technology

You can access technology help at www.montytech.net and click on the Technology Help icon. Here, you will find information about:

Chromebook Resources and Troubleshooting, Google Classroom and Schoology

Transportation

Bus routes can be found on our website. The late bus schedule is shared daily in the morning announcements. Late bus routes go to central locations for each city/town. Students have access to the late bus for athletics, extra help sessions, and school-sponsored events ONLY.

Welcome Class of 2029

We look forward to meeting you and helping you navigate through your first year of high school! We want you to know that we are here to help and guide you through all of the ins and outs of your new school and look forward to the start of the new school year.

Orientation will be held on August 20th and August 21st from 9:00 a.m. - 2:00 p.m. Students with last names starting **A-J** will attend orientation on **August 20th** and those with last names starting **K-Z** will attend on **August 21st**. At orientation, you will be issued your chromebooks, get your Monty Tech email, and learn about the wonderful opportunities that we have.

Your first week of school will be an academic week - 'A week'. Schedules will be given to you at orientation. You might have questions and we will be sure to answer them when we meet. Here are a few common ones that we hope help prepare you for your first days of school:

What school supplies do I need for the first day of school?
We recommend that you have a backpack, your fully charged chromebook, a notebook and writing utensils for the first day. Each teacher will let you know what materials are required for their class so wait until you meet with them before you go and buy school supplies.

What do I wear?
To start, jeans, t-shirt and sneakers are perfect for both academic and shop weeks. We also recommend that you have a sweater or sweatshirt because some classrooms and shops can get cold, at times.

How do I get a MT Identification card (ID)?
At orientation we will take your ID picture. You will be issued your ID and lanyard on the first day of school. School ID's are expected to be worn everyday!

What about lunch?
You can either bring your own or pick up a lunch option in the cafeteria. Menus are generally posted monthly on our web page. Information on how to set up an online account through MySchoolBucks will be sent to your parent/guardian in the welcome packet mailed out in August.

Where do I find my bus schedule?
Bus schedules should be posted by mid August so check out our home page at www.montytech.net to see what bus you should be on.

What do I do if my student has a disability or requires additional support?
The district has reached out to middle schools for current records. If you are not sure we have received the plan or if you would like to discuss the referral process please contact your student's school counselor.

Please email if you have any questions or concerns as we are only in the building a few days during the summer. We want to make this transition as smooth as possible! Save the dates for Freshmen Orientation on August 20th or 21st! We are excited to meet you!

Mr. Lashua   Mrs. Quinn

lashua.jonathan@montytech.net   quinn-alicia@montytech.net

NEED HELP –
WE'VE GOT YOU!

MONTY TECH
LATE BUS INFO.

All students staying for tutoring must take the 4:15pm late bus.
The 6:00pm bus is for athletes, clubs that meet until 6:00pm and Drivers Ed only.

Click on the late bus icon at www.montytech.net to learn how you can get home if you stay after school!

Extra Help

Each academic instructor provides extra help one day a week after school.

After School Tutoring

We offer extra help in math, English and biology. This is available to help you prepare for the MCAS as well as get extra support with your classes. Visit www.montytech.net and click on "Academics" to see the schedule of extra help and tutoring days.

Tech Support and PowerSchool

Watch for an email explaining how parents and students can access grades using PowerSchool! Visit "Technology Help" to get support with your Chromebook, Google Classroom, Schoology & more!
Videos are available to help with using Google Classroom and Schoology.

Bus Stops: Helpful Information!

Welcome All! Please find helpful information regarding bus transportation at Monty Tech.

1. As stated in the Massachusetts General Law: Bus Stops can be up to 1 MILE away from the student's residence. Monty Tech makes every effort to make bus stops that are as close and safe as possible, while still delivering students in a timely manner. This means we **DO NOT** make individualized stops at every household that a bus travels by.

Per Massachusetts general law. Chapter 71 - Section 68, any bus stop is not to be more than one mile from a student's residence.

2. Monty Tech does **NOT** make changes to the bus routes during the first few weeks of school. We do this in an effort for the bus companies to get a feel for what is working, and decide on adjustments they need to make.

3. Bus Stops are **NOT** changed because of their **stop time**. Due to the amount of towns our District covers, certain areas begin their routes earlier in an effort to arrive to school in a timely manner. Stop times will not be changed.

4. All students are assigned to ONE bus ONE stop. Any student who spends their time in different households or requires a different stop will NEED to request a bus pass.

5. All Bus Pass inquiries should be made at the **Dean's Office**.
   PERMANENT BUS PASS: will allow student to use throughout the school year as needed without the need of a permission slip every time.
   DAILY PASS: Single day use.

Please remember this is all for safety precautions!

6. Please share address changes with Student Support Services at your earliest convenience. Bus Stops cannot be made overnight.

7. MISSING ITEMS on a bus: We encourage students/families to contact the bus company to let them know sooner rather than later. Phone Number(s) can be found in our school website.
   www.montytech.net

8. Any student that lives OUTSIDE of DISTRICT will NOT have an assigned bus/stop. *Ex. Leominster*

9. Monty Tech **only posts AM stop times**, please note bus routes run the opposite way in the afternoon. Meaning the last stop in the morning would most likely be first in the afternoon. Each student/family is responsible for checking bus routes before school starts. We ask all students to be at their stop 10 minutes early.

We understand your student is experiencing many changes right now, and we want to be as supportive as we possibly can during this time. Please remember our Drivers and staff are trying their very best to attend to the needs of all our students, equally!

Monty Tech PowerSchool Parent/Guardian Portal

PowerSchool is the online system Monty Tech uses to share student's grades. Both parents and students can download the mobile app or check grades on your computer.

In the first few weeks of school, emails will be sent to each student's
Primary Parent/Guardian Contact Email
providing you with information to assist you in creating a parent portal account.
If you have checked your inbox, spam and junk folders and have not received the email by the end of September, please contact edtech@montytech.net.

Student Signature: **Parent/Guardian Signature:**

Directions

- You MUST read **at least one book** from above. You will receive a raffle ticket from your English teacher the first week of your academics which you can turn in at lunch for a gift during Homecoming Week.

- For each book you read you must write a two paragraph response in which you discuss in detail something you found compelling, shocking or interesting. You may also choose to address questions you still have, something you are wondering about or something you now want to learn more about as a result of your reading.

- For each box you complete you will receive one raffle ticket for a chance to win the following:
  - A Homecoming Ticket
  - A Yearbook
  - A Free Prom ticket
  - Gift Card to the school store
  - Gift Card to Amazon

You MUST print your BINGO card signed by both you and a parent/guardian attesting to the fact that you read the book(s) you checked off in order to receive your raffle tickets.

**** PLEASE NOTE ****

Summer Reading is required for all students in grades 9-12.
Seniors, Juniors, and Sophomores taking AP Language, AP Literature or AP Seminar as their English class should complete the AP assignments, NOT this one.
ALL Freshmen regardless of level are required to complete this assignment.

MONTY TECH
MARINE CORPS
JROTC

PURPOSE

The purpose of the Monty Tech Marine Corps Junior Reserve Officer Training Corps (MCJROTC) program is to:

- Instill the values of leadership
- Citizenship
- Service to Country
- Personal responsibility and a sense of accomplishment

THREE MAJOR OBJECTIVES

- Give students an appreciation for the origin, advantages, and responsibilities of leadership.
- Develop an understanding of leadership skills and the advantages of strong moral character.
- Develop in students a sense of pride, discipline, and personal responsibility.

We ARE NOT seeking to recruit for the military and MCJROTC does not obligate students to serve in the armed forces. We strive to meet Monty Techs mission.

Stop into Student Support Services or the MCJROTC Classroom to ask about the chance to be part of one of Monty Tech´s most exciting and demanding elective programs.

ACTIVITIES

Cyber Security Team
Marksmanship
Drill Team
Color Guard

VOLUNTEER

Community Service
Salvation Army Boot Drives
Food Shelters
Veteran Causes

Jeremy Mickelson
USMC (Ret)
mickelson.jeremy@montytech.net

UNIFORMS

Cadets will wear the Marine Corps JROTC uniform one day per week. Uniforms are provided at no cost to the student for participation in the program.

PHYSICAL FITNESS

Physical fitness training is conducted one day per week along with completion of a strength assessment two times during the school year. This assessment gives the student an idea on how they progress throughout the school year
CLASSES

Classes will evolve around Leadership Education. The program is progressive with cadets moving from one school year to the next. Freshman Cadets will begin as a Leadership Education One (LE I) and make their way through LE II (Sophomore), LE III (Junior), and LE IV during Senior year. Each year builds on the previous year with additional knowledge and responsibility.

RANK

Promotions occur through demonstrated potential along with consistent adherence to all MCJROTC rules and regulations. Some cadets will have the potential to progress through rank at an accelerated pace through routine demonstration of above average performance.

OPPORTUNITY

Through the MCJROTC Leadership Program, Cadets are more confident and better prepared for their futures, no matter what direction they pursue in the trades, college, or military service. Consistent accountability, time management, punctuality, and respect are a few of the areas where students can expect to improve through the MCJROTC.

Montachusett Regional Vocational Technical School
1:1 Chromebook Guidelines
Student and Parent Agreement Form

YOG: _2029_

Student Responsibilities - Your Chromebook is an important learning tool and is for educational purposes. In order to take your Chromebook home each day, you and your parents/guardians must be willing to accept the following responsibilities:

- I/we understand that the Chromebook is my responsibility.
- I/we understand that Chromebook use is a privilege, not a right.
- I/we will not leave my Chromebook unsupervised and will do everything I can to prevent it from being damaged.
- I/we will honor the Montachusett Regional Vocational Technical School Chromebook Guidelines and the Acceptable Use Policy.
- I/we will not view, create, send, or download inappropriate material.
- I/we will bring the Chromebook to school every day with a fully charged battery.
- I/we will treat the Chromebook as a valuable piece of equipment and will report any mechanical or technical issues to a teacher immediately.
- I/we will not attempt to add, delete, access, or modify other user accounts on the Chromebook.
- I/we will take no action that could interfere with the Montachusett Regional Vocational Technical School network.
- I/we will report inappropriate use to my instructor or an administrator.
- I/we will return the Chromebook when requested by the Technology Department or upon withdrawing from the school.
- I/we will file a police report in case of theft or damage caused by fire and notify the Dean's Office immediately.
- I/we agree to pay the full replacement cost of my Chromebook and/or power cord/charger in the event either of these items are lost or damaged through my own negligence.

I/we agree to the terms above and accept responsibility for the Montachusett Regional Vocational Technical School-owned Chromebook. I understand that I am accepting responsibility and am responsible for the total cost of any damage, destruction, or loss of the assigned Chromebook due to my negligence. I understand that I am responsible for the total cost of replacing a damaged, destroyed, or lost Chromebook.
