

After School Help & Tutoring, School Year 20-21

Tutoring & After School Help SIGN UP FORM - Required for Students

[CLICK HERE](#)

After School Help: All teachers at Monty Tech provide after school help one day per week. Students should communicate with their teachers to arrange these help sessions. In addition, students are required to complete the Tutoring & After School Help Sign Up Form by 8:30am, the day they plan to stay after school (see link to the form below). Students need to complete this form, every time they plan to stay after school. Due to covid19 precautions, we need to

identify who is in the building during this time period. We also rely on this information to ensure after school busing can be provided.

Tutoring: Our tutoring program is focused on providing additional support for students in English, Math, and Biology in preparation for the Next Generation MCAS. Licensed teachers provide tutoring to all students in these subjects. All students are welcome to attend. Monty Tech

provides IN-PERSON and REMOTE tutoring on Mondays and Thursdays, from 3-4pm. All students need to contact these teachers to schedule their time. In addition, students are required to complete the Tutoring & After School Help Sign Up Form by 8:30am the day they plan to stay after school (see below). Students need to complete this form, every time they plan to stay after school. Due to covid19 precautions, we need to identify who is in the building during this time period. We also rely on this information to ensure after school busing can be provided.
