Electrical
Engineering Technology
Graphic Communications
Health Occupations
House Carpentry
HVAC & Property Maintenance
Information Technology
Machine Technology
Masonry
Plumbing
Veterinary Science
Welding/Metal Fabrication

Community

The Montachusett Regional Vocational Technical High School spans eighteen cities and towns across North Central Massachusetts. Connected by scenic Route 2, the North Central region possesses a history deeply rooted in innovation, development, and industry success. The Montachusett Region offers the community an exceptional quality of life. Located approximately 50 miles west of Boston and 25 miles north of Worcester, lovely North Central Massachusetts is home to many small businesses, industry leaders, and cities and towns that value education, strong work ethics, and the importance of family.

With Wachusett Mountain as the backdrop, the cities, towns, businesses, colleges and university that are located in the area extend a strong infrastructure for the success of the region. These quintessential New England cities and towns come together to comprise the population of students and families we serve. With over 300 members on our vocational advisories, there is strong community support and involvement for ensuring the future of vocational education, workplace readiness, and college preparedness that allows our students the opportunities to develop necessary skills to lead and succeed.

School

Montachusett Regional Vocational Technical High School, located in the gateway city of Fitchburg, MA, is an independent regional vocational-technical school, serving more than 1,400 students from eighteen cities and towns, making "Monty Tech" the 2nd largest regional school district in the state.

Montachusett Regional Vocational Technical School is a four-year regional vocational high school that enrolls students from rural, suburban, and urban settings. Students that have chosen to attend Monty Tech opt to learn in a demanding environment that is pertinent to their interests, talents, and strengths. Technical educations in the vocational areas are coupled with rigorous academic programming, outstanding extracurricular activities, and a vibrant athletic program.

The Montachusett Regional Vocational Technical School is fully accredited by the New England Association of Schools and Colleges. It is regulated by the Massachusetts Board of Elementary and Secondary Education and is part of the Massachusetts Vocational Association.

Graduation Requirements

Vocational Program	18.00 Credits
English	4.00 Credits
Math	4.00 Credits
Science	4.00 Credits
Social Studies	2.00 Credits
Computer Literacy/Phys. Ed/ Health/Foreign Language Electives	4.00 Credits
Total Credits:	36.00 Credits

The Montachusett Regional Vocational Technical School District adheres to MassCore requirements which states that all students are to receive 4 years of math, English, science (2 years with lab), and 4 years of social studies. Foreign Language requirements for our students are based on the Admission Standards issued by the Massachusetts Department of Higher Education (see below). A course meeting one period per day on academic weeks earns .5 credits and a course meeting two periods per day earns 1 credit.
1.0 credit = 1 Carnegie Unit

Grading System

A+	97---100	C+	77-79	P=Pass
A	93---96	C	73---76	WD=Withdrew
A-	90---92	C-	70---72	TR=Transfer
B+	87---89	D+	67-69	F=Fail
B	83---86	D	63---66	IN=Incomplete
B-	80---82	D-	60---62	ME=Medical
F	Below 60			

No credit is earned for the course if a student receives below 60.

Academic Levels

Academic Level 1 = Advanced Placement (AP)
 Dual Enrollment (DE)
 Project Lead the Way (PTLW)
 Academic Level 2 = Honors (H)
 Academic Level 3 = College & Career Prep

Levels do not affect the grade published on a student's report card or transcript; they simply assist in calculating class rank for a diverse student population.

Rank in Class

Class rank is determined by QPA (weighted GPA). QPA is calculated by dividing the total points of all courses by the total course weight. Points for a course are calculated by using the point value associated with the grade and course academic level, then multiplying the point value by the course weight. GPA (unweighted) is calculated by dividing the total points for all courses by the total course weight. Points for a course are calculated by multiplying the point value associated with the grade by the course weight.

School Calendar

Classes meet for 180 days.
 Four 10-week quarters.
 Nine 39 minute periods per day – English, math & science are double periods.
 Students attend one week of academics, alternating with one week of vocational/technical instruction.

Student Activities

Monty Tech offers a diverse program of Fall, Winter, and Spring athletics. Other student activities include Peer Mediation, National Honor Society, Diversity Club, Drama Club, Math Club, Student Council, Media, First Robotics, Political Science Club, Science Club, MJROTC, Skills USA, Women In Technology, and Yearbook.

Enrollment

Class of 2020	342
Class of 2021	355
Class of 2022	374
Class of 2023.....	363

MCAS Results – Class of 2019

English Language Arts Passing Rate	99% *
Math Passing Rate	99% *
Biology Passing Rate	99% *

*A 1% improvement in student performance over the past 3 years
