

# MONTY TECH VETERINARY CLINIC

## **Can I bring my pet to the Monty Tech Veterinary Clinic?**

The Monty Tech Veterinary Clinic is proud to provide veterinary services for dogs and cats of resource limited families, within the Monty Tech district. To be eligible for services at the Monty Tech Veterinary Clinic, the owner of the pet must:

- Present a valid EBT card, issued by the Massachusetts Department of Transitional Assistance, and a matching valid ID
- Reside within the Monty Tech District\*

The Massachusetts Department of Transitional Assistance determines eligibility for food and economic assistance based on household size, income, expenses, and other non-financial criteria. Those who qualify for Supplemental Nutrition Assistance Program (SNAP), economic assistance through Transitional Aid to Families with Dependent Children (TAFDC), or Emergency Aid to the Elderly, Disabled, and Children (EAEDC) may receive pet care at our clinic.

## What services are provided?

The Monty Tech Veterinary Clinic offers a much-needed service to our community. We provide high-quality, subsidized veterinary care to ensure all families have access to valuable preventative and primary care opportunities. Services include:

- Routine preventative care visits
- Affordable medications and vaccinations
- Diagnostic services
- Dentistry
- Stable urgent care
- Compassionate end of life care
- Primary care surgical services

## What to expect?

We are a teaching clinic within Montachusett Regional Vocational Technical School. Visitors will interact with high school students interested in becoming the veterinary professionals of tomorrow. A licensed veterinarian will provide and oversee all care your pet receives. Your appointment time will be longer than a traditional clinic, as our students are learning. We thank you in advance for your patience and kindness. You are furthering the veterinary profession!
