

Monty Tech Freshman Orientation

All incoming Freshmen students should have received a call and email on Thursday, August 13th from Mrs. Leamy, Monty Tech Dean of Admissions.

Now that student schedules have been completed, your student has been assigned an orientation date and time. In the event your student did not receive a call or email, please contact Ms. Leamy at: leamy-christine@montytech.net

Orientation dates and time slots have been organized by homeroom, which is also the students' first-period class. Students are asked to enter the building through the Performing Arts Center, where they will receive their schedules, have an ID picture taken and then proceed into the auditorium. Students will be introduced to Mr. Browne, our Principal, as well as their guidance counselor. Then, students will take a tour of the school to help them feel more familiar with the building.

Students will exit through the front of the building at the main entrance where they will receive a Class of 2024 t-shirt and Chromebook.

Please be sure to print and sign the Chromebook User Agreement, which must be signed by a parent/guardian and student in order for your student to receive their device at orientation. We will also have copies available to sign in person if you are unable to print at home.

Please note – students must wear a mask at all times during Orientation. Social distancing will be maintained at all times throughout the Orientation.
