

# Monty Tech's 2019-2020 After School Tutoring Program COVID19 School Closure

After School Tutoring is free academic support for all Monty Tech students. During the COVID19 school closure, free After School Tutoring sessions will continue to run from 3:00-4:00pm.

Our tutors are highly qualified teachers employed at Monty Tech. They are experts in their content-area and use data-driven assessment as part of their tutoring practice to identify and address students' skill deficiencies in English, math, and science.

Students can access tutoring through the teacher's email identified in this flyer.
