

ATTENTION FAMILIES

Please note – as a rule, Monty Tech does not make changes to bus routes during the first few weeks of school. We do this in order for the bus companies to get a feel for what is working, and what adjustments they need to make themselves. Per Massachusetts General Law Chapter 71 – Section 68, a student's bus stop may be up to one mile from a student's residence. Please hold off on contacting the school or bus company with requests unless it is absolutely necessary.

2025-2026 BUS COMPANIES

Monty Tech makes every effort to make bus stops that are as close and as safe as possible, while still delivering students in a timely manner. This means we **DO NOT** make individualized stops at every household that a bus travels by. **If you have lost an item on the bus or think you may have missed the bus, please call the bus company.**
