Total foundation enrollment (column 14) does not include incremental costs above the base. The pupils are already counted in columns 1 to 7. Total foundation enrollment assigns pupils in pre-kindergarten and half-time kindergarten an enrollment count of .5. Special education in-district enrollment is an assumed percentage, representing 3.90 percent of K-12 non-vocational enrollment and 4.90 percent of vocational enrollment. Special education tuitioned-out enrollment is also an assumed percentage, representing 1 percent of non-vocational K-12 enrollment. Low-income enrollment is based on: (1) participation in Supplemental Nutrition Assistance Program (SNAP), the Transitional Assistance for Families with Dependent Children (TAFDC), MassHealth (Medicaid), or foster care; (2) homeless designation through the McKinney-Vento Homeless Education Assistance program; or (3) verification as low income through a supplemental data collection process. Low-income and English learner foundation budget increments are based on the number of students attending school in the district or district residents who attend charter schools. The low-income percentage is the ratio of the low-income enrollment to: the total students attending school in the district and the total resident students attending charter schools.

The minimum aid adjustment is the sum of (a) the greater of foundation aid or base aid determined based on the FY21 base and incremental rates, inflated to FY24, and (b) foundation enrollment multiplied by \$30. The aid adjustment increment (line 10) is the line 9 amount less the line 8 amount if the difference is positive. Otherwise, the increment is zero.

**Regional District Enrollment and Contributions by Member City or Town**

The table below presents the minimum required local contribution for each member to the selected regional district.

Note: A city or town might belong to more than one regional district (e.g., a regional district and a vocational district) and therefore be required to contribute to multiple districts. See the *regional allocation* tab for a full list of minimum required contributions for each city or town.

Foundation enrollments are presented as whole numbers. The change column reflects differences prior to rounding.
